Dear Solicitor:

It is our policy at Hempden Hill BBQ that all request for donations be submitted by January 31 of each year so we may review them in February and decide to whom we will donate. Because we get so many requests, it is hard to fill them all so any solicitations after January 31 are welcomed to set up a benefit night at Hempden Hill BBQ.

Benefit Night at Hempden Hill BBQ. Invite your clients/supporters to dine with us (any Monday, Tuesday, or Wednesday you reserve with us one week in advance) when each member shows their certificate/supporter card from your organization to their server Hempden Hill BBQ will donate 15% of their food sales to your organization from the entire day (Lunch and Dinner). It's that easy.

If this sounds of interest to you, feel free to call us to select a date:
